OFFICE OF THE DEPUTY COMMISSIONER, MYSORE DISTRICT.

Tender Notification No. D7. T. R. 52-60—39, *dated 2nd December* 1939.

1. Sealed tenders will be received at the Office of the Deputy Commissioner, Mysore District, up to 2 P.M. on 14th December 1939 for sinking draw wells in the villages noted below.

2. Tenders should be in the annexed form and addressed to the Deputy Commissioner in a sealed cover and superscribed as tender for well works at (village).....of..... taluk and the name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a treasury receipt for rupees (noted below) paid as earnest money to the treasury to the credit of Rural Water Supply Funds in the name of the Deputy Commissioner, Mysore District. The earnest money of the successful tenderer will be retained as security for the fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The tenders will be opened in the presence of the tenderers as wish to be present in the office of the Deputy Commissioner at Mysore. The final acceptance of the tender will rest with the Deputy Commissioner who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. The name of the successful tenderer will be posted on the notice board in the Deputy Commissioner's Office in due course. Within eight days of the acceptance of the tender the successful tenderer will be required to execute an agreement on a stamped paper for the due performance of the contract in accordance with the estimate for the work. In default, his tender will be considered as cancelled and the earnest money deposited by him forfeited.

6. On acceptance of one of the tenders, the earnest money in respect of rejected tenders will be returned to the depositors.

7. The contractor should at his own cost pay the charges on account of materials, implements, clearing site, arrangements, if any, made for protecting works during inclement weather, water pumps, royalty and tolls.

8. The contractor is responsible for all accidents to workmen, etc., during the execution of the work and he must take precautions against all risk of accidents.

9. It is the business of the contractor to make his own arrangements for quarries and supply of materials.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates. In all disputes of any kind, the decision of the Deputy Commissioner, Mysore, will be final and legally binding.

11. The work should be completed and handed over in a tidy condition to the Amildar of the taluk concerned by the end of March 1940, failing which, the Deputy Commissioner may at his discretion levy a penalty which will ordinarily be calculated at 12 per cent per annum on the total outlay as liquidated damages for the period exceeded by him beyond the time fixed in the contract.

12. No claim for damages for delays by officers of the department in the execution of the work will be considered whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will however be considered on the merits of each case. The contract should not be sublet.

Taluk	Names of villages where wells are to be sunk	Class of work	Estimated cost	Amount of earnest money required
